

Stillwater Marina
575 Main St N. Stillwater, MN 55082

Dear Boat Owner,

Summer of 2020 will not be forgotten in the boating world! I can not recall a summer where boating was so busy even on weekdays. With that note, it is time to schedule your Fall haul out.

We must coordinate outside storage with slip customers storage needs. Customers who are planning to leave their boat on the property thru haul out or trailer their own boat, **MUST notify Stillwater Marina**. This information is critical to accommodate the appropriate space for all our customers. This information is **due Sept 18th** Please note, forms submitted after September 18th will be assessed a \$150.00 service charge. This Fall, storage space is a premium, prompt communication is appreciated.

Haul out is spread over 4 weeks:

- 1) **September 21st**
September 28th (drystack client's winterization week)
- 2) **October 5th**
- 3) **October 12th**
- 4) **October 19th**

Last year, we had several boats hauled out the last week of October with freeze damage. We do not want to repeat that.

1: Haul-Out scheduled by Andy @ Stillwater Marina 612-701-5485

2: Gas dock in October is limited by weather and staffing so please call for appointments. 612-987-5508 or 651-439-9000

3: The service dept is open from 8-5 Monday thru Friday. You may call Bob direct at 612-987-5510 email: info@stillwatermarineservices.com

Slip Renters: Remember you do get free storage but haul out & launch is not included. IF you plan on storing by trailer you MUST turn in the form by Sept 18th.

Please read the terms of the contract carefully and then sign and date your form. We will run your credit card as we receive them, this is your confirmation of receipt. **I will notify you if your desired week is full and advise the week you are on.**

Thank you for your business,

Andy Malon email: andy@stillwatermarineservices.com
